

Built for Buckeyes by Buckeyes.

InHealth Mutual is Ohio's only nonprofit health insurance CO-OP — built by members for members. We have one of the largest statewide networks and a variety of affordable, competitively priced plans. And, here's a nice twist, any profits we make go back into you — enhancing your benefits, lowering your premiums, and developing health programs that benefit you and your community. Make sure you're covered.

Interested? Check us out at www.InhealthOhio.org. Open enrollment ends February 15, 2015. You'll find InHealth on the Marketplace at www.healthcare.gov

Congratulations to The Team!

We were built for you.
